Hope this gets you started. Several tabs on the attached. I started from encumbrances and then reconciled the processing logs to add on anything that is an outlier/missing in fiscal. Those additions are noted at the bottom of the applicable encumbrance sheets.

- 1) Peoplesoft encumbrances for FY18.
- 2) Fiscal encumbrances for FY18.
- 3) Fiscal pre-encumbrances for FY18.
- 4) CHD Title 18 (doctors, nurses, etc.) in detail
- 5) Visual Image
